

Invitation to the AIDUCATION INTERNATIONAL IMPACT DINNER 2015

21st October, 2015 | Dozentenfoyer der ETH Zürich

Window into another world. After our successful Impact Dinner held in 2014, we are happy to announce the Aiducation Impact Dinner 2015. Once more, the focus of the event will be the impact of our work and we are looking forward to introducing a special guest illustrating this impact - our AiduAlumni Rachel. Her fish pond initiative, was founded during last year's Swiss-Re Start Up Academy and funded through a contribution of the Start Up fund. This start-up not only contributes to food security in Rachel's country, but also offers women a chance to work in a safe environment, without the threat of sexual harassment from fishermen. Witness the impact young people can have - changing their society for the better.

AIDUCATION INTERNATIONAL is a for-impact organization, dedicated to providing people access to education. Founded in 2007, the organization awards merit-based high school scholarships to bright and needy students in developing countries (focus on Kenya and the Philippines). Thereby, donors directly impact individuals and their societies. Until today, Aiducation so changed the life of over 850 students dramatically. | www.aiducation.org
