What are your top three career choices and explain why these could be your career(s) of your choice

1. I would like to be a lawyer.
Most of the lawyers accept bribery
I won't allow any bribery by following
up the cases of those people who allow
bribery.
2. I would like to be a teacher.
I will make sure every pupil in

I will call their parents so as to look for a
solution for the pupil.

At once I was a Pupil like you. I learnt at Mulungu wa Mawe Primary School. I worked hard and finally did My Kenya national examination and obtain 379 Marks. Though I passed through different Problems in My Primary education I managed to do well. I got a calling letter to join Ribe high school. At that time My father had already passed away and My mother was a farmer. I wondered how I could join Ribe high school Fortunately I heard about the Scholarship of Aiducation international. The Scholarship paid for me the school fees for four years. I worked hard and gained grade A. I was very happy to join Pwani university when I was in university I studied bachelor of laws and finally graduated as a lawyer. Before I got employed I also got various challenges but I overcome them.

When I came back to the community I talked to some pupils and students to work hard because hard work pays. we set a fund raising for students from poor families so that they could join secondary school. I talk to you that work hard and you will enjoy the fruits of education.
