I would like to continue my secondary education and go to University at the end of four years so that I can a degree and go for the career of my choice so that I can help my society and develop my lovely country Kenya.

Message to your donor (optional):

I hope you are fine wherever you are. Thank you for choosing me. I promise you I will never let you down. I will work hard and make sure that I give you the best results and make sure that I achieve my dreams. May God bless you so much!
