D: ESSAY AND MOTIVATION

Please imagine you are celebrating your 60th birthday together with your family and friends. The atmosphere is very friendly, suddenly your grand-daughter jumps on your lap and asks you the following question: "Grandfather / Grandmother, what have you done in your life?" use space provided below.

I was born in Majeneni Village and joined Majeneni Primary School at the age of five. I managed to score 371 marks in my KEPE. My parents had financial constraint but with the help of a scholarship from Aiducation I joined Bahari girls high school. I attained a mean grade of A- in my KCSE exam. This gave me the chance to join Kenyatta University where I pursued a bachelor in Journalism.

I was first employed by the KBC radio to work in my county. Because I had the aim of helping communities with problems such as insecurity, I came up with a new communication system to communicate with the head of the County to help such areas. After few months the governor organised a police station was built and security improved after some time. I also introduced a channel which was only talking about the importance of living in peace. This channel was available for all people in the county. For those who did not have radios I made it available in phones. Because of that I was awarded a scholarship to study abroad. Then I opened my own radio station and continued helping communities.

In my community there were many cases of rape and drug abuse. Because I wanted these cases to reduce I came up with an online communication programme which helped people to report such cases immediately they happened. I also introduced a mentorship programme to enlighten the youth on the dangers of abusing drugs.
