Please imagine you are celebrating your 60th birthday together with your family and friends. The atmosphere is very friendly, suddenly your grand-daughter jumps on your lap and asks you the following question: "Grandfather / Grandmother, what have you done in your life?" use space provided below.

I was born in the early twenties in Kilifi county at Malindi. I was born in a family of six. Although I faced challenges in my life because of poverty, I was very hard-working in school for I knew that hardwork pays. I did my KCPE Examinations in class eight and scored 384 marks. My Parents had Insufficient <sup>fund</sup> to support my education. Fortunately I applied for a scholarship in Aiducation Kenya and they helped me finish my secondary studies in form four. Where I scored grade A. I was invited to Jomo Kenyatta university where I pursued my education for becoming a nurse. I graduated as a nurse at Jomo Kenyatta University.

After graduation I was employed at Lawfig hospital as a nurse. With the help of other nurses we innovated the cure of cancer. We spread to the whole country and heard people healed. At that hospital I was well known as a good, well-caring nurse. I gave service with no discrimination. There was a day I helped an HIV/AIDS patient get back to normality in that hospital.

After retiring at the age of 55 years I went back to the village to relax. I decided to form an organisation that will help the old and HIV/AIDS patient. It was titled "Tutunze Afya Association Group." It worked and help people know more about their status of HIV/AIDS and other diseases.
