C: CAREER CHOICE AND ADDITIONAL INFORMATION

What are your top three career choices and explain why these could be your career(s) of your choice:

1. Surgeon - I would like to be a surgeon because I want to give out my service to those people who cannot afford the payments that are required.
2. Teacher - I want to be a teacher because I want to educate people on the importance of education so that the dependency rate in the village stop, and ensure that each and every person have a work to do.
3. Police - I would like to be a police so as to help the ones suffering in cases such as insecurity, crimes and robbery and ensure that we live in a peaceful country.

D: ESSAY AND MOTIVATION

Please imagine you are celebrating your 60th birthday together with your family and friends. The atmosphere is very friendly, suddenly your grand-daughter jumps on your lap and asks you the following question "Grandfather / Grandmother, what have you done in your life?" use space provided below.

"It is a good question my dear. I grew up in a poor family because I lost my father by the time I was in class 3. Luckily I got a sponsorship from my head teacher that took me to class 8. I managed to score 386 marks and I was admitted at Ribe Boys. I also got a sponsorship from an organization that took me up to form 4. I managed to score an A and joined medical university in Nairobi where I studied and graduated. After graduation I set up my own hospital where I worked as a surgeon. I helped many people and gave free service to those who could not afford the payments. I also did many things like employing people, which reduced the rate of dependency. Being one of the popular surgeons in Kenya I will also set up another hospital so as to help people from travelling long distances in order to get the service."

E: EXTRACURRICULAR ACTIVITIES

What do you like doing most and least, during your free time? Which games do you like? What other skills would you like to learn in secondary school?

During my freetime I like most reading story books and playing football. I do not like being idle because it makes me lazy. I will also play different games when I join high school.
